Allowable Subject Matter

Claims 1-9 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 1-9 are allowable for including the limitations, when taken within the context of the claims as a whole, of "means for reorganizing logical groups when failure occurs in any active disk drive in the disk drive array, after storing the same data as that stored in disk drives on the faulty board on which a faulty drive is mounted into corresponding one of the disk drives on the substitution board selected from among a group of spare drive boards, so that each logical group to which one of disk drives on the faulty board belongs includes a new disk drive on the substitution board in place of the disk drive on the faulty board; and means for informing said maintenance terminal that the faulty board is replaceable after the reorganization of the logical groups is completed".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
